

Accessories, Shoes & Tights

After hair and make-up is done, there is one final touch to making a costume look fabulous – ACCESSORIES, SHOES & TIGHTS! Each dance has been listed below with the appropriate accessories, shoes and tights that are required. All rhinestone accessories and tights can be ordered through Fuzion Underground.

Rhinestone Accessories are reusable! They are common costume accessories and will be used year after year for competition dances. Make sure to keep track of your accessories so that you do not have to purchase them again next year. Clip-on rhinestone earrings are available.

Show Tights & Shoes... Dancers need to have BRAND NEW TIGHTS for competition. If they are wearing old tights they will look like a different color. We call these SHOW TIGHTS! Dancers do not have to have brand new shoes but they need to be clean and have no holes.
