Attendance Policy for Competition Dancers

Dancers will not be allowed to miss more than FOUR rehearsals for the year per rehearsal (this includes morning technique). On their fifth absence they will be removed from the dance and no refunds will be given for costumes, entry fees, rehearsal fees, workshop fees, or tuition.

Create A Budget That Works For You

Seeing as the amount of conventions, competitions, and additional fees are laid out in advance, parents are encouraged to do the homework and decide *ahead of time* what the family can afford. Fuzion, like every other competitive team, can quickly become costly if you do not set your limits. Also, the more dances you choose to participate in, of course, means more rehearsal time. Choosing an unlimited amount of dances along with a solo and duo/trio will quickly become a heavy time and financial commitment. Remember, when you say yes to that extra dance or two, please keep in mind it is not just the rehearsal fee you are saying yes to. You are also saying yes to the additional costume fee, rehearsal time and the fee to compete it at every competition.

If you cannot comply with the Xcel policies, please reconsider auditioning.
